COLORS

If you have a shirt that matches the color please wear it on that day!

Monday - Green

Tuesday – Green

Wednesday – Purple

Thursday – Orange

Friday – Orange

Cooler weather is here and that means coats and jackets. Please teach your child to be independent and put on their own coat and start zipping them. They feel so proud when they can do it themselves! Also, please try and label your child's coat, gloves, hats, boots, etc. with their name or initials! The children don't always recognize their items especially if they are new.
